

Welcome to Estacada!

We are glad you are here. You will be pleasantly surprised at all that Estacada has to offer. You can immerse yourself in trees, sky, water; summer's greens and winter's whites. Or you can just wander through town to discover our history in murals, explore galleries and stop for a local craft beer.

Estacada offers a public library, police and fire protection, local parks, and downtown shops, along with numerous recreational activities, including boating, fishing, camping, and hiking.

Estacada is a great place to call home. There is art to see, and artists to learn from; events and festivals, celebrations, and concerts. Some of our annual community events include the 4<sup>th</sup> of July Celebration, with a parade, a timber festival celebrating our history, and a sky show sponsored by Estacada Area Community Events. There is also a Summer Arts and Music Celebration that is presented by Estacada's Arts Commission.

Estacada students may attend one of two elementary schools - Clackamas River Elementary or River Mill Elementary and then move on to Estacada Middle School(grades 6-8) and then Estacada High School. Additionally, the Estacada School District offers alternatives to the traditional system in order to ensure that important educational and social needs are provided for our children. There are also numerous youth sports associations for children beginning as early as kindergarten, and a beautiful city park which includes horse shoe pits, a picnic pavilion, sand volleyball court, children's playground, and a 10,000 square foot skate park.

City staff is here to help you with making your move to the community a pleasant one. If you have any questions please contact city hall at 503.630.8270. They will be able to help you with almost any question you may have about the area.

Any age, any time, any one will find new ways to play, unforgettable adventures and the unexpected far from city crowds and urban chaos. Breathe deeply, make memories, press "restart" on your everyday life. Welcome to Estacada!

Brent Dodrill  
Mayor, City of Estacada
